

THE REINHARDT REPORT

"And he said to them all, If any man will come after me, let him deny himself, and take up his cross daily, and follow me." Luke 9:23

Settled in

We feel like we are finally running on all cylinders after being back for almost 7 weeks. Our Spanish seems to be flowing better than when we first arrived and our relationships with the people are back to what they were when we left.

Prayer Request

- Pray for spiritual growth in the church. We are slowly seeing this, but pray for patience and determination on our part as well.
- Keep the visa process in your prayers. There shouldn't be any problems, it just takes a few months. We have started things and expect to get a call that we will have to travel to Lima any time now.
- Continue to pray for Paul as he is again at Bible College. He is doing great and has recently had the opportunity to preach in one of the prisons in Arequipa.
- Pray for our family.

The above verse is what we are focusing on this year at Faith Baptist Church. Our focus for the year is "Be a Disciple". We are encouraging our people to take the steps necessary to wholly follow Jesus. Some need to be baptized, some need to join the church, while others need to step up their commitment level. On Wednesday nights we are doing a kind of corporate discipleship, studying through important doctrines of the Bible. While we only have a few attending, those few are asking good questions and seem to be moving in the right direction. On Sunday mornings we are going through the book of Nehemiah talking about "Building and Battling". The focus is for our people to see the need to be "all in" as a church family. Sunday nights we are studying through the book of Mark talking about "Jesus as a Servant"; again focusing on serving. Pray that the Holy Spirit would do the work needed in the hearts of the people.

Our Saturday's are taken up with Kid's Club and Adolescent Group. We have been having a good group of kids. We are in need of a van to pick up and drop off the children. Please be in prayer for this. Our last van that we were renting fell through and we are now looking for another person. We have been encouraged with the adolescents coming to "youth group". We usually have 5 or 6 coming. We are deepening these relationships and praying the Lord would raise up these children and youth to serve here and abroad.
