

# THE REINHARDT REPORT

Therefore, my beloved brethren, be ye steadfast, unmoveable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord. 1 Cor. 15:58

## Praise & Prayer

- The girls celebrated their 12th birthday this month on August 14th. It is hard to believe that that much time has passed. They are both doing well. They recently finished up 5th grade and will be moving on to the 6th soon. Thank you for keeping them in your prayers.
- Pray for our people to have a heart for God and for evangelism. We just finished up a 5 week course in Sunday School about taking the Great Commission personally. It was a practical, how-to study on evangelizing.
- Please continue to pray for our visa process. We hope to hear something soon!

It's been a great month here in the mountains of Peru! We pray it has been a blessed month for you all as well. As we reflect back through this month we give thanks to God for the privilege to serve Him here. The start of August meant that winter break was over, the kids went back to school and parents back to work. Which means we were able to get back into the regular routine of Saturday Kid's Club and Adolescent Group. This month in our kid's club we had a very evangelistic focus, teaching on the gospel and Jesus' sacrifice for us. It was disappointing

not to see any children saved over the course of the lessons, but we thank the Lord to be able to plant the seed. In our adolescent group we are focusing on why God had to become man. Pray that we will see fruit from God's Word being planted in their hearts. The adolescents are also in the middle of a contest which will win them dinner at the mall (many are excited because they have never been). Pray for us as we are trying to stay connected with our young adults as well. It is proving challenging to get them all together on the same night.

One of the highlights this month in the church plant was a prayer vigil that we held on a Friday night. It was a great time of casting our burdens on the Lord and praying for Him to work mightily in the church. We also had a lady visit whom we had met passing out fliers in her neighborhood. She attended with her children and says she is a Christian but has not been faithfully attending church. Another elderly lady from Lima, Peru has been visiting the services this entire month as well. Pray for us as we continue to sow the seed and pray for more laborers in this hemisphere!
