THE REINHARDT REPORT

We have had a busy and blessed month here in Peru. March was a month of “Goodbye, Hello, and Goodbye.” We said our goodbyes to our family and friends in the U.S. on March 9th, and arrived in Cusco on March 10th. We praise the Lord for safe flights and for all our luggage making it with us! We were greeted by our co-laborers here in Cusco and it was great to see them again. Our time with the Matsuda’s was short. We arrived on Thursday and they left after our Sunday services. We are grateful for their family being here for during our stay in the U.S. Thank you all who have given offerings to help them in their move to Arequipa! Please continue to pray for the Matsuda’s as

Daniel will be taking over as pastor at The Family Baptist Mission Church in Arequipa. Speaking of Arequipa, we enjoyed a visit from the Mark’s family this month as well. It was encouraging to see them, and they were a big help to us in getting settled in both at our house and at the church. Bro. Todd Marks preached a challenging message to our folks. That Sunday a couple of our people talked about wanting to be disciples and others about helping with children’s ministry.

This is great news! **We want to see our people involved but first many of them need to take the step of becoming members - pray for this. Also pray for us as we are on our own again.**

This month has been a little overwhelming getting back into the ministry routine, but we have been encouraged as we see many of our children and adults who have stayed faithful. It is a joy to be working with the children again. We praise the Lord for allowing us to find transportation to bus the kids down to the church and back. We’ve been blessed to find a lady that uses her van for school transportation and is charging us a fraction of what we were paying. The Adolescent Group on Saturday’s at 5 p.m. is going good. It got off to a slow start this month but we are enjoying this special time as well.

We were blessed to celebrate Easter Sunday with the church here! We had a special breakfast during the S.S. hour followed by our Resurrection celebration! It was an encouraging day with almost all of our regulars in attendance and some returning visitors. The Lord is blessing! **Please keep us in your prayers as we continue to adjust to life in Peru again.** Having been here for almost 11 years makes the transition easier but we still have our days!
