

THE REINHARDT REPORT

And this gospel of the kingdom shall be preached in all the world for a witness unto all nations..." Matthew 24:14

Prayer Request

- Continue to pray for spiritual growth in the church. We are seeing the Lord work.
- Please keep praying for our visa process. We are still waiting to hear when we will have to travel to Lima.
- Pray that God would put us in contact with men who we can train for the ministry. Also pray that we could reach more youth.
- Pray for the city of Cusco during the month of June. It is Cusco's anniversary month. This month, more than any other, showcases the tradition and idolatry still held to by thousands in our city.
- Thank you for praying for our family and please continue to do so. God is good and watches over us. Neomi fell while on the swings. She broke a small bone in her wrist and has to be in a cast for 3 weeks. She is learning that having a cast is not as fun as it might look!

Mother's Day and Kid's Club

It has been an encouraging month for us here in Cusco. We pray that you all are encouraged in the Lord as well! We have had several visitors this month, a couple first time visitors and other returning visitors. One lady who visited has been attending faithfully since the first Sunday of April. Another family that has been with us for about a year has decided to join the church. This is an encouraging step to see them taking! The wife will begin helping to teach our children's Sunday school class in June. One of the highlights of every week is our Wednesday night prayer meeting. We only have a couple people coming but we are discipling them. Seeing their enthusiasm to learn and hearing their questions shows us their desire to learn the truths of the Bible. One of the ladies coming is 58. She attends every service we have and said she would come to more if we had them. Her desire to grow in God's Word is contagious. She invites many of her family to our services as well.

The children's ministry and adolescent group continue to move forward. Since we don't have a combi (van) we have had to use our car this month to transport the kids. Depending on how many show up this has been a challenge. We have had as many as 15 crammed in there! Most of the time we just take a couple of trips. We would love to see more adolescents coming on Saturday's and are working towards that, but we are thankful for those coming every week. Pray that we could reach more youth!
