

# THE REINHARDT REPORT

How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher? Rm. 10:14

## Prayer Request

- Pray for these adolescents pictured above. We are thankful for the opportunity to work with them and pray the Lord would use them for His glory.
- Pray that the Lord would give me young men to disciple and train for the ministry.
- Pray for my father-in-law and sister-in-law as they will be traveling back on Oct. 18th.
- Continue to pray for our visa process. We still have not heard anything and it has been over 3 months.

We are in the middle of a visit from Rebecca's dad and sister this month. They have already been a blessing and help in the ministries here. To the right you can see them pictured with one of the needy families that comes to our Kid's Club. They were able to bring some clothes and shoes from the U.S. for these kids to use. Also pictured to the right you can see our family with our adolescent group. We had an outing to the mall food court this month with this group. This was their reward for a contest that we did over the past month where they had to say their memory verse and complete different Bible assignments every week. We had a great time with them!

We continue to sow the seed and pray for the Lord to give the harvest. This month I was called to a house because I was told a family wanted me to pray with them. They were new in town and also new to the faith. When I arrived, I found out that it was because they thought they had been cursed. The wife found a dead black cat and a cup of beer close to their door. A relative had paid a "bruja" (witch) to curse them over a family dispute. Needless to say it was an interesting house call. I was able to invite them to church, pray with them, and explain why if we are in Christ we don't need to be afraid of these type of things. This is just one of the many traditions of the culture here that Christians face on a regular basis. Continue to pray for the work. We are seeing slow but steady growth in some of our regulars. We showed a movie on the resurrection of Jesus one Sunday evening this month. We didn't have any visitors, but we did have more of our people attend than normal for a Sunday evening.
